

Empanelment of battery and inverter manufacturers

The following manufacturers of inverters and batteries have been empanelled under Off Grid and Decentralized Solar Application Programme of MNRE. These manufactures have to submit the product details (as per the format) to the Ministry to keep the information on website. It is the responsibility of the empanelled manufacturers to maintain quality as per the programme requirement. In case of any deviation from the quality, those companies will be removed from the empanelled list of manufacturers
